X-Wing Fighter

by Hideo Sugamata

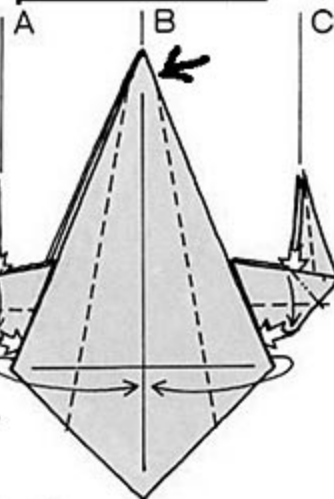

From Frog base

Do it all.

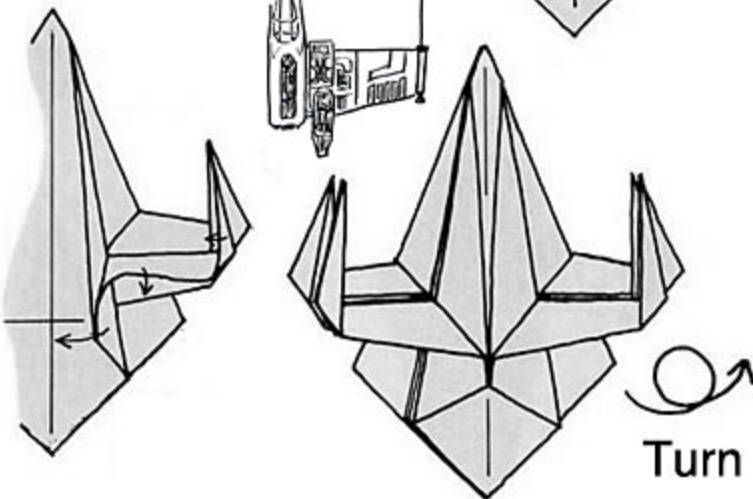

Line A,B,C
Make them Parallel
like this.

Bottom and
both sides

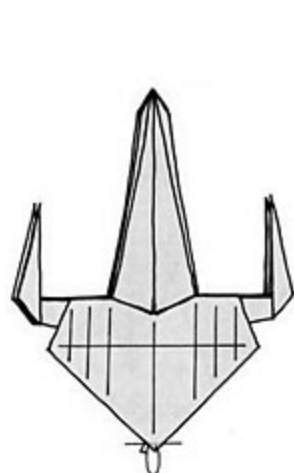

Matayado Origami

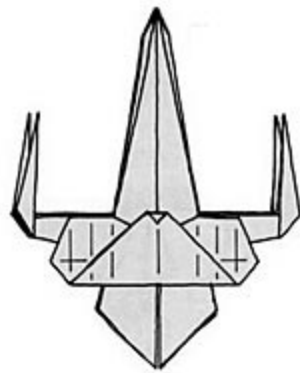

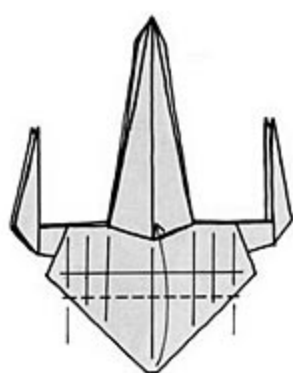

X-Wing fighter
Easy Version

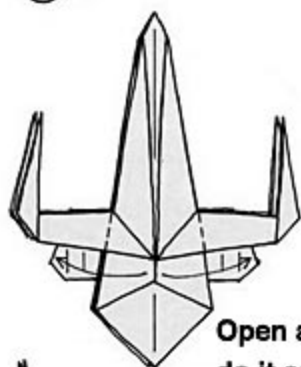

①

R2 Head.

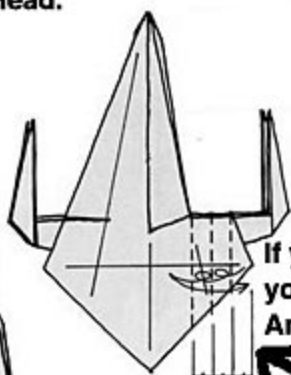

Turn to bottom.

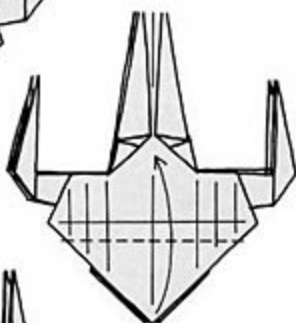

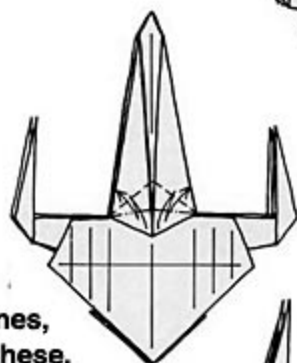

Open and
do it same.

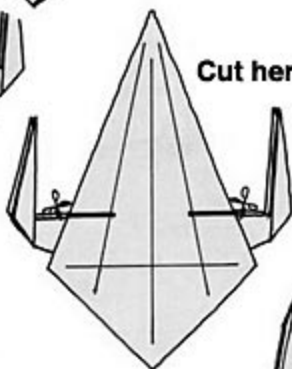

Open
again.

If you want round engines,
you need not fold like these.
And roll them at last page.

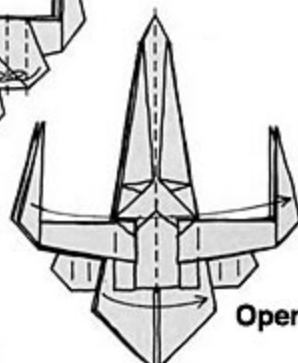

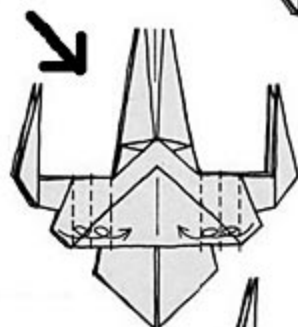

Re-fold

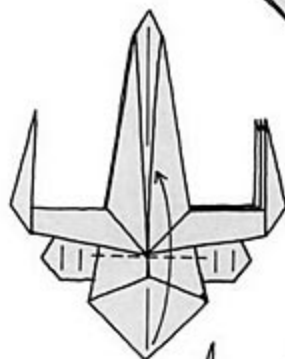

Cut here.

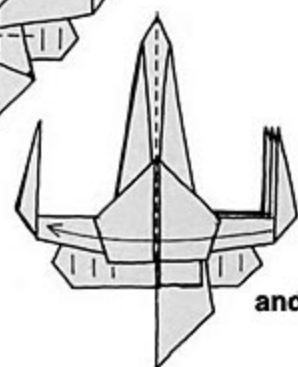

Fold again.

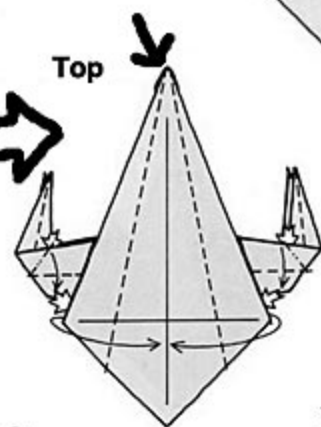

Open,

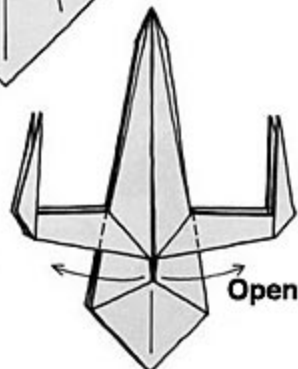

fold up,

and close.

Top

Open

②

X-Wing fighter
Easy Version

Matayado
Origami

Same as
Previous page.

Pull back Bottom shape.

Wake engines.

Turn to TOP VIEW

Box up The cockpit.

Wake R2.

Roll up Engines.

Lasers.
